Recovery of Power Dues

4807. SHRI NANA DESHMUKH: Will the Minister of POWER be pleased to state:

(a) whether as per the statement made by him power worth Rs. 1500 crores is stolen every years;

(b) if so, the names of the States with average loss;

(c) whether most of the States have started defaulting power revenue to the Centre; and

(d) if so, the names of the States with amount in default and measures taken for recovery of the power dues?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRIMATI JAYAWANTI MEHTA): (a) and (b) The losses being incurred by various State Governments on account of power theft are not being separately assessed. However, the experience of States undergoing reforms indicates that the losses on account of T&D, theft and pilferage are to the extent of 45% of the power generated. A rough estimate indicates that out of the total energy generated, only 55% is billed (Rs. 62,000 crores). Of the amount not billed, 20% loss is sustained due to theft and pilferage (Rs. 22,500 crores).

A Statement- I showing the financial position of SEBs for the year 1997-98 is inclosed (*See* below)

(c) and (d) A Statement-II showing outstanding dues to Central Power Sector Undertakings as on 29.2.2000 from various SEBs/UTs is enclosed.

Some of the measures taken for recovery of dues are:

(i) Recovery of dues by appropriation from Central Plan Assistance (CPA) to respective States.

(ii) A proposal for securitization of liquidating part of the dues payable is also under consideration of the Government.

(iii) Management is pursuing recovery of the dues with concerned SEBs/State Governments.

(iv) Special incentive scheme is given to States which establish L.C. to cover full amount of current liability (For NTPC only).

(v) Regulation of power supply to defaulting States (by NTPC only).

STATEMENT-I

Statement of Surplus and Deficit of SEBs (without Subsidy)

Sub-Transmission and Distribution of Power in States

4808. SHRI KHAGEN DAS: Will the Minister of POWER be pleased to state:

(a) whether Government are drawing up a special scheme for sub-transmission and distribution of power in the North Eastern States;

(b) if so, the amount being spent on this project; and

(c) by when this proposal will be completed?

THE MINISTER OF STATE IN THE MINISTRY OF POWER
